## TERMS OF SALE

1. A 10% Buyer's Charge will be added to the successful bid price of each lot.
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
3. We make no other charges except the actual cost of mailing, and insurance/registration. On books we charge 50¢ with added cost when a number of books are in the same lot. We use discretion and never overcharge you. (Others charge \$1.00 per lot on books)
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for later bidding.
5. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. 'Penny' bids are not entered and the minimum acceptable bid is \$3.00 with increments of 50¢.
6. Auction sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission and request must be made within five days after receipt of material. No lots may be returned by floor bidders.
7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title which would be in parenthesis. All books are in fine condition unless otherwise mentioned; are hard bound unless pb (pamphlet binding) is mentioned; or CaC (card binding) or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 40 years ago for your protection.
9. Auction Sales for U. S. Cash Funds. Payments must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

It is with a great deal of pleasure and mixed emotions that we catalogue the coin and book collections of DR. CHARLES WILLIAM RECHENBACH and DR. MARY C. RECHENBACH. Charles and Mary were good friends of ours for almost thirty years.

Charles Rechenbach attended University of Cincinnati where he obtained his Bachelors, Masters and Doctorate in Germanic languages and comparative linguistics and philology. From 1966 to 1977 he was with Catholic University working on special research in modern languages. As a matter of fact he was a lexicologist in his own right, having written and compiled the "Swahili-English Dictionary" in 1968 and published by Catholic University of America Press.

Mary Rechenbach obtained her Bachelors, Masters and Doctorate from the University of Maryland. She majored in ancient and medieval history. Her Ph.D. thesis was on Anglo-Gallic Economic Relations between 1200 and 1450 AD.

Part I of their collection is represented by a fine collection of Roman coins - many fine Roman Republican denarii, a strong emphasis on the Julio-Claudian period in the early empire and including an interesting run of large bronzes of Hadrian.

In addition, part of the Rechenbach library is catalogued. It consists of a group of numismatic books predicated on the ancient and medieval fields. Also we believe, the finest background reading library ever appearing in a numismatic auction sale. There are hundreds of histories on Roman, Medieval, Greek and Ancient subjects, as well as hundreds of books in the German language. Also a magnificent series of Dictionaries, Lexicons, Grammars and 'Word books'.

THE FOLLOWING GROUP OF BOOKS ARE NOT GENERALLY FOUND IN A NUMISMATIC AUCTION CATALOGUE. DR. CHARLES RECHENBACH WAS AN ACCOMPLISHED LINGUIST AS WELL AS A LEXICOLOGIST. HIS COLLECTION OF DICTIONARIES, LEXICONS, GRAMMARS, WORD-BOOKS DID NOT JUST ADORN HIS SHELVES, BUT WERE USED. I hope that I can do justice to this very interesting group of books.(FJK)
